

# One dies as foundation collapses at Radio House Abuja

By Omeiza Ajayi

**A**BUJA—A 25-year-old man reportedly died following the collapse of a foundation at an excavation site within the premises of the Federal Radio Corporation of Nigeria, FRCN, popularly

known as Radio House, in Area 10 area of Abuja.

Vanguard learned that the incident occurred on Sunday.

Confirming the incident, National Public Relations Officer and Head, Corporate Services of the Federal Fire Service, FFS,

Paul Abraham, said firefighters had promptly responded to a distress call following the collapse of a building foundation.

"Tragically, the incident led to the death of a 25-year-old man. The remains of the victim were recovered by the rescue

team and handed over to his family.

"The Federal Fire Service commiserates with the bereaved family and urges construction companies to strictly adhere to safety standards to prevent similar incidents in the future."
