Dutse • A heavy downpour on Wednesday in the Kiyawa Local Government Area of Jigawa, killed four persons, destroying houses and crops.

It will be recalled that the Nigeria Metrological Agency had listed Jigawa among states in the country that would be affected by flooding this year.

Alhaji Basiru Maje, the Vice-Chairman of the Local Government, told NAN on Thursday in Dutse that no fewer than 10 villages were affected by the flooding.

Maje said that two persons, one Kabiru in Adede Village and
