An Ebute Meta Magistrates' Court in Lagos on Friday ordered one Victor Sunday to be remanded in prison for allegedly beating his neighbour to death.

The Magistrate, Mrs A.O. Salawu, remanded Sunday in Ikoyi Prisons and ordered that the case file should be sent to the Lagos State Director of Public Prosecutions for advice.

Sunday, 42, who resides at No. 5, Balogun St., Gbara in Lekki, is facing a charge of murder.

His plea was not taken.

Earlier, the Prosecutor, Insp. Kehinde Olatunde, told the court that Sunday committed the offence on April 2 at 4.45 a.m. at Jakande Roundabout in Lekki.

Olatunde alleged that the defendant had used a plank to hit one Denir Sapeton, 55, which resulted to his death.
