No fewer than 13 persons were killed in an auto crash that occurred at Oka area on the outskirts of Ondo town in Ondo State yesterday morning. Five adult females, four males and three children including a girl died in the unfortunate incident.

Daily Sun gathered that the accident happened due to alleged recklessness of the driver of the 18-seater bus involved in the accident.

Eye witnesses told Daily Sun that the accident occurred when a truck marked XW 969 APP coming from Ore end of the road collided with the bus marked XK 444 AKR, which was said to have taken off from Akure town and was heading towards Lagos.

The eye witness added that the driver of the bus overtook other vehicles which were moving on the same lane with it before it swerved to the other lane where the truck which was loaded with building materials was coming from and had a head-on collision with it in the process.

As at the time of filing this report, the corpses of the victims have been deposited at the morgue of the State Specialist Hospital, Ondo.

The wreckage of the two vehicles was still on the spot when Daily Sun visited the scene of the accident.

Several residents of the town who trooped out to catch a glimpse of the incident were seen discussing the accident in groups. Several personal effects of the passengers were found scattered everywhere.

Confirming the incident, the Divisional Police Officer in charge of Enu-owa Divisional Police Station, Mr. Oyibo Shuaibu Suleiman said that the remains of the dead passengers have been deposited at the mortuary, adding that those who sustained injuries had been taken to the emergency ward at the same hospital.

Suleiman, however, stated that the driver of the truck who was arrested shortly after the incident occurred has been placed under detention while preliminary investigation on the matter has commenced.

The state commander of the Federal Road Safety Commission, Mr. Funmbi Olawoyin, warned motorists against reckless driving. He said many lives would be saved if drivers avoid over-speeding always.
